XXII Goleniowskie Spotkania Teatralne BRAMAT 2021

27th of August - 5th of September
Goleniów, Strzelewo

With great joy we would like to invite You to the 22nd edition of the Bramat Festival. This Bramat is special for us for numerous reasons. We will have an immeasurable pleasure to celebrate with You the 25 years jubilee of Teatr Brama, as well as an opening of the new cultural space in Goleniów - Rampa Kultura. During the Festival you will get a chance to see our performances - "Ghost Dance" and "Positivo". We would also like to welcome that new space with You, during the performance named "Station Witness". This way we will go back in time to the event that was created during 9th edition of Bramat - "Station of Memories" - in the very same place - Rampa. You will be invited to travel into the past - both far and close, as well as the future. The future of theatre, place and town.

As every year, you can count on wonderful performances and unforgettable concerts. The Festival will be a space of meeting for inhabitants and artists from across the globe. We will have a pleasure to host the School of Theatre Criticism and for the last day of the Festival artists and participants of Kontrapunkt Festival will arrive. We will also hold multiple projects during that time: Station Witness (Polish - German), SocioAct (Polish - Danish - Greek - Portuguese - Romanian), Move Your Limits (Polish - Norwegian - Italian - Irish), School of Theatre Criticism and Summer Theatre Academy (Polish - Ukrainian). We are very happy that even more guests from across the world can learn of the legendary hospitality of the people of Goleniów.

Be with us for this incredibly special time and let's celebrate together. We have waited for so long to finally meet you!

Cofinanced by the Marshal's Office of West Pomerania and Municipality of Goleniów. Project titled ETNO Pomorze Zachodnie - Festiwal społeczności "Tradycja Od:nowa" cofinanced by the funds from Minister of Culture and National Heritage from Culture Promotion Fund.
